

Attention Current Cash Customers: Keep moving with

ZipCash is the NTTA's "drive now, pay later" option for customers without TollTags.

We're switching to all-electronic toll collection on the President George Bush Turnpike on July 1, so **when you enter or exit the roadway, keep moving.** We will send you a bill for your tolls.

ZipCash customers have the convenience of paying their bills online. NTTA TollTags offer even more convenience and save customers up to 45 percent on tolls. You may apply for a TollTag online at www.ntta.org.

High-speed cameras take pictures of the license plates of vehicles without TollTags. Invoices for the tolls are then sent to the registered owner of each vehicle.
