Statement from NTTA Chairman Paul N. Wageman on Appointment of Bill Meadows to the Texas Transportation Commission

Plano, Texas – On behalf of the North Texas Tollway Authority (NTTA) Board of Directors and staff, I congratulate Bill on his appointment to the Texas Transportation Commission.

Bill has served the NTTA and the north Texas region with distinction as a Tarrant County appointee to the NTTA board. As vice chairman of the board, Bill has helped lead the NTTA as it works to fulfill its regional mission.

Bill has acquired considerable knowledge about the mobility challenges facing local and state transportation providers. I'm certain he will make a positive contribution to the TTC.

On a personal note, I've enjoyed Bill's friendship for many years. I will miss his wise counsel and good humor. We look forward to working with Bill in his new role.

About the NTTA

The North Texas Tollway Authority, a political subdivision of the state of Texas, is authorized to acquire, construct, maintain, repair and operate turnpike projects in the North Texas region. The nine-member governing board is comprised of Chairman Paul N. Wageman; Vice Chairman William W. Meadows; and Directors Gary Base, Bob Day, David Denison, Michael Nowels, Bob Shepard, Alan E. Sims and Victor Vandergriff.

The NTTA serves Collin, Dallas, Denton and Tarrant counties and is responsible for the NTTA System, consisting of the Dallas North Tollway, President George Bush Turnpike, Addison Airport Toll Tunnel, Lewisville Lake Toll Bridge and the Mountain Creek Lake Bridge. The NTTA is able to raise capital for construction projects through the issuance of turnpike revenue bonds. NTTA toll projects are not a part of the state highway system and receive no direct tax funding. Tolls are collected to repay debt and to operate and maintain the roadways.
