John Dahill Joins the NTTA as General Counsel

PLANO, TX – Today, John B. Dahill joined the North Texas Tollway Authority as the general counsel. With almost two decades of legal experience, Mr. Dahill will direct and manage all legal functions of the Authority including management of outside legal counsel.

Prior to joining the NTTA, Mr. Dahill served as assistant general counsel for the Teacher Retirement System of Texas where he provided legal guidance regarding health plans for active and retired teachers. He also served as principal legal advisor on legislation during the 2009 legislative session and as an advisor on ethics and open government matters for the organization.

“I am pleased to have John on board with the NTTA,” said NTTA Executive Director Allen Clemson. “His background in the public sector will benefit the NTTA greatly as we work to improve mobility in the region.”

Earlier in his career, Mr. Dahill operated a private solo law practice and was the general counsel for the Texas Conference of Urban Counties, the Texas CUC Aggregation Project, and the Public Employees Benefits Cooperative of North Texas. Additionally, he served as an assistant district attorney in Dallas County for more than 10 years, including several years as the legal advisor for the County and the Dallas County Commissioner’s Court.

“I am honored to accept this new challenge with such a dynamic organization,” Dahill said. Dahill holds a bachelor’s degree from Trinity University and a jurisprudence doctorate from the University of Texas School Of Law.

About the NTTA

The North Texas Tollway Authority, a political subdivision of the state of Texas, is authorized to acquire, construct, maintain, repair and operate turnpike projects in the north Texas region. The nine-member governing board is comprised of Chairman Paul N. Wageman; Vice Chairman Victor Vandergriff; and Directors Kenneth Barr, Bob Day, David Denison, Bill Moore, Michael Nowels, Bob Shepard and Alan E. Sims.

The NTTA serves Collin, Dallas, Denton and Tarrant counties and is responsible for the NTTA System, consisting of the Dallas North Tollway, President George Bush Turnpike, Sam Rayburn Tollway, Addison Airport Toll Tunnel, Lewisville Lake Toll Bridge and the Mountain Creek Lake Bridge. The NTTA is able to raise capital for construction projects through the issuance of turnpike revenue bonds. NTTA toll projects are not a part of the state highway system and receive no direct tax funding. Tolls are collected to repay debt and to operate and maintain the roadways.

Visit the NTTA Web site at www.ntta.org or call 214-461-2000 for additional information about the NTTA. For customer service, please call 972-818-NTTA (6882).
