

STATE OF TEXAS §
 § **INTERLOCAL AGREEMENT**
COUNTY OF DENTON §

This Agreement (“Agreement”) is made and entered into by and between the County of Denton, Texas, with the agreement, consent, and participation of the Denton County Tax Assessor-Collector (singularly or collectively referred to as "County" or “County Tax Assessor-Collector”), and the North Texas Tollway Authority ("NTTA"), a regional tollway authority created under Chapter 366 of the Texas Transportation Code and a toll project entity (“TPE”) under the provisions of Texas Transportation Code §372.001(2) and a political subdivision of the State of Texas.

WITNESSETH:

WHEREAS, Texas Government Code, Chapter 791 authorizes local governments of the state to enter into contracts for governmental functions and services to increase their efficiency and effectiveness; and

WHEREAS, the County and NTTA are local governments as defined in Texas Government Code, §791.003(4), and are authorized to enter into this Agreement by the action of their respective governing bodies in the appropriate manner prescribed by law; and

WHEREAS, Texas Transportation Code §502.011 authorizes a county tax assessor-collector or the Texas Department of Motor Vehicles (“Department”) to refuse to register or renew the registration of a motor vehicle if it has received written notice from a TPE that the owner of the vehicle has been finally determined to be a habitual violator as defined in Transportation Code §372.106; and

WHEREAS, Texas Transportation Code §372.111 allows a TPE to report habitual violator determinations to a county tax assessor-collector or the Department in order to cause the denial of vehicle registration as provided by Texas Transportation Code §502.011; and

WHEREAS, such a consolidated effort in the effectuation of Texas Transportation Code Chapters 372 and 502 is in each party's best interest and that of the public and will increase the effective and efficient functioning of each party; and

WHEREAS, NTTA represents to County that it has the authority to enter into this Agreement and perform the obligations and duties stated herein; and

WHEREAS, NTTA represents and warrants to County that NTTA has the authority to report habitual violator information to County via the Department in the manner set forth in this Agreement. NTTA further represents and warrants that County may rely upon the presence of NTTA flags in the Department vehicle registration system (“DMV System”) in denying vehicle registrations/renewals under this Agreement; and

WHEREAS, NTTA shall make the payments provided for in this Agreement from current funds available to NTTA.

NOW THEREFORE, this Agreement is made and entered into by County and NTTA in consideration of the aforementioned recitals and for the mutual consideration stated herein:

I. PURPOSE

The purpose of this Agreement is to state the terms and conditions under which the County will refuse to register or re-register certain motor vehicles when the County Tax Assessor-Collector receives information from NTTA via the DMV System that the owner of the vehicle has outstanding tolls and fees and NTTA has made a final determination that the owner is a Habitual Violator as defined by Texas Transportation Code §372.106.

II. RESPONSIBILITIES OF THE PARTIES

A. NTTA'S DUTIES:

1. NTTA may notify County Tax Assessor-Collector via the DMV System when a determination that a registered owner is a Habitual Violator has become final and imposition of a vehicle registration block is authorized by law. County shall rely on the information in the DMV System database in determining whether to refuse registration.
2. NTTA will supply County with an information sheet describing the procedure for flagged motor vehicle owners in the DMV System to resolve their outstanding tolls and fees to obtain vehicle registration.
3. NTTA must provide owners cleared for registration with a "cleared" receipt that may be presented by the owner to the County. The content, form and layout of the receipt shall be agreed to by the parties. Written instructions shall be included on the receipt directing the cleared owner to maintain it for 30 days. The receipt form must be approved by County before use by NTTA. NTTA may enable owner generation of the receipt through the NTTA online payment system.
4. NTTA agrees that it will be solely responsible for placing or clearing registration flags in the DMV System. NTTA further agrees that it will be solely responsible for County's denial of registration or registration renewal based on habitual violator determinations reported to Department by NTTA and flagged in the DMV System at NTTA's request.
5. NTTA shall only request Department to flag vehicle records of vehicles that are owned by registered owners that have been finally determined to be habitual violators, as defined by Texas Transportation Code §372.106(a) and whose habitual violator status has not terminated under Texas Transportation Code §372.109.

B. COUNTY'S DUTIES:

1. County Tax Assessor-Collector shall review the DMV System for vehicle registration block flags for all owners who attempt to register any vehicle.
2. County will refuse to register or re-register all motor vehicles flagged in the DMV System as having outstanding NTTA tolls and fees, unless a cleared receipt as described in subsection II.A.3 is presented.
3. County shall distribute the instruction sheet described in subsection II.A.2 to flagged motor vehicle owners. County shall also provide owners with a map to NTTA offices, if NTTA has provided one to County for distribution.
4. County shall provide flagged owners with access to a computer terminal at the Tax Office that is linked to the NTTA's online payment system.
5. County shall provide owners who pay online via the Tax Office terminal with printouts of any clearance receipts generated by the NTTA's online payment system.
6. Notwithstanding subsection II.B.2, County shall have the sole authority and prerogative to register or re-register a motor vehicle.

III. TERM

A. The term of this Agreement will be for a period of twelve (12) months effective upon its date of execution by the last party to sign the Agreement. Thereafter, this Agreement shall automatically renew annually for a twelve (12) months unless terminated earlier by either County or NTTA as provided in subsection B below.

B. Either party may, at its option, with or without cause, and without penalty or prejudice to any other remedy it may be entitled to at law, in equity or otherwise under this Agreement, terminate further work under this Agreement, in whole or in part, by giving at least sixty (60) days prior written notice thereof to the other with the understanding that all services being terminated shall cease upon the date such notice is received unless otherwise agreed to by the parties.
