Dear Gerry:

On January 9, 2014, the Regional Transportation Council (RTC) agreed to sponsor North Texas Tollway Authority (NTTA) TollTags as an abatement to reduced access for the St. Francis Retirement Village near the Chisholm Trail Parkway. The abatement will be made available only to the current residents and staff. The sponsorship that will be administered by RTC includes the following parameters:

- The RTC sponsorship will sponsor a one-time \$250 value per TollTag.
- The RTC sponsorship is limited to one TollTag per household.
- The RTC sponsored funds will be available for three years.
- Each household will need to self-certify the financial need for a sponsored TollTag. NCTCOG has provided this form to residents and staff and will maintain these records.
- RTC sponsorship funds are only eligible for use on toll roads within the Dallas-Fort Worth region, including the Chisholm Trail Parkway.
- If a person already has a TollTag, the RTC sponsored funds can be added to an existing TollTag account.
- Residents will be required to sign-up for a TollTag by April 26, 2014.
- The amount of the RTC sponsorship will not exceed \$100,000.

NTTA will:

- Invoice the NCTCOG, as needed, in increments of \$25,000, not to exceed \$100,000, to cover the cost of the sponsored TollTags.
- Open up TollTag accounts for eligible residents and staff in accordance with the parameters listed above and service the accounts as would be done with all NTTA customers.
- Work with NCTCOG at the appropriate time to communicate the conclusion of the program to the program participants.
- Provide participant results to NCTCOG upon conclusion of the program.
- Consider refund of unused funds, however this may not be feasible.
