

Summer Travel Hacks

Do you know all the ways a TollTag makes your life easier? Besides saving more than fifty percent on tolls, use your TollTag to benefit from these travel hacks when you hit the road this summer.

Your Road Trip Partner

Use your TollTag to pay for travel on toll roads throughout Texas, [Oklahoma](#) and [Kansas](#).

Zip right through and avoid the line. No searching for correct change.

Your TollTag is your ticket to the express lane *and you get the lowest rate* – just like you do back home in North Texas.

Assistance Anytime

We hope you never need it, but NTTA offers FREE 24/7 roadside assistance to drivers on all NTTA toll roads.

Plan ahead by adding “#999” to your phone to call for help directly if you experience car trouble on any NTTA road.

From a flat tire to an empty gas tank, we'll help you out and get you back to safety.

Info at Your Fingertips

With [Tollmate](#), NTTA's FREE mobile app, managing your TollTag account is easier and more convenient.

Tollmate puts all the information you need to view, manage and update your account in the palm of your hand.

VIP Treatment

NTTA values our customers and we demonstrate that through [TollPerks](#), the rewards program exclusively for TollTag members.

Earn great deals and rewards just for driving NTTA toll roads!

If you haven't activated your TollPerks account, now's the time. You can activate your TollPerks account in Tollmate or through your [online TollTag account](#).

To and From the Airport

Get in and out faster at airports when you use your TollTag to pay for parking at Dallas Love Field and Dallas/Fort Worth (DFW) International Airport.

You also can use your TollTag for pass-through payment at DFW.
