

360 TOLLWAY NOW OPEN TO DRIVERS

New Road Provides Nearly Ten Miles of Much-Needed Mobility

PLANO, Texas – May 11, 2018 – The North Texas Tollway Authority (NTTA) is proud to announce the 360 Tollway is now open for travel.

The 360 Tollway is a 9.7-mile toll road between Camp Wisdom Road/Sublett Road in southern Tarrant County and U.S. 287 in northwestern Ellis County and northeastern Johnson County.

The road is a partnership between NTTA, the Texas Department of Transportation, the cities of Arlington, Grand Prairie and Mansfield, Tarrant, Ellis and Johnson counties and the North Central Texas Council of Governments' Regional Transportation Council.

The Texas Legislature passed and Governor Greg Abbott signed into law legislation designating two portions of the 360 Tollway in memory of a civil rights icon and a long-term legislative leader from Arlington.

The designations are as follows:

- Senator Chris Harris Memorial Highway between the intersection with U.S. 287 in Ellis County and the municipal limits of Mansfield in Tarrant County
- Rosa Parks Memorial Parkway between the municipal limits of Mansfield and the intersection with Sublett Road/Camp Wisdom Road in Tarrant County

Tolls to travel the entire length of the new 360 Tollway one way with a TollTag will cost \$1.62. Drivers can check the cost of tolls on any NTTA road at NTTA.org.

A TollTag is the least expensive, most convenient way to travel on all NTTA roads, including the 360 Tollway. Check out NTTA's collection of [Specialty TollTags](#), so you can root on your favorite team or school in style.

Drivers who become stranded on NTTA roads may now dial #9-9-9 to be connected directly to the NTTA Safety Operations Center, a 24/7/365 emergency dispatch facility. NTTA's Roadside Safety Services crews and/or DPS Troopers will quickly be on the way to help.
