

# Dallas North Tollway Widening Project

SPRING 2022

The Dallas North Tollway (DNT) is being widened between the Sam Rayburn Tollway (SRT) and US 380 to add capacity.

This project, which will begin in summer 2022, will add an additional lane in each direction and help traffic flow as the population growth continues in northern Collin and Denton counties.

Along with widening the DNT mainlanes, the project team will reconstruct the intersection and DNT bridge over Fields Parkway in Frisco.

Opening date: Late 2025

PROJECT SECTIONS	IMPROVEMENTS	SEE PROJECT MAP
SRT to US 380	Addition of a fourth lane in each direction	

## RECENT PROGRESS

- SRT to US 380: Design is nearing completion and contracts have been awarded

## WHAT'S NEXT?

- SRT to US 380: Construction will begin this summer

An additional lane in each direction will be added in Frisco
