

## Bid Tabulation 03935-NTT-00-GS-MA

Bidder Name	Lead Acid total	Dry Cell total	Speciality total	Bid total
Interstate Battery	\$15,125.64	\$514.65	\$628.28	\$16,268.57
O"Reilly - Ozark Automotive	\$18,448.26	\$1,251.85	\$759.50	\$20,459.61
Evco dba Burgoon	No bid	\$470.66	No Bid	\$470.66
Midway Auto	\$18,666.62	\$644.30	\$1,351.28	\$20,662.20
Continental Battery	\$13,560.23	No Bid	\$1,039.82	\$14,600.05
Metroplex Battery	\$13,628.54	\$575.00	\$1,062.36	\$15,265.90
Stationary Power Systems	No bid	\$722.50	No Bid	\$722.50
TKC Ent. Dba Batteries Plus	\$13,528.31	\$547.30	\$1,709.60	\$15,785.21
Battery Power Group	\$21,481.00	\$641.95	\$820.70	\$22,943.65

### BID ANALYSIS

TKC Ent. Dba Batteries Plus	low bidder (two groups)
Continental Battery	low bidder (one groups)
Metroplex Battery	overall low bidder

### Award Scenario (Award by Group)

TKC Ent. Dba Batteries Plus	\$13,528.31	Lead Acid
TKC Ent. Dba Batteries Plus	\$547.30	Dry Cell
Continental Battery	\$1,039.82	Specialty Batteries
	<u>\$15,115.43</u>	Bid Total

### Award Scenario (Award by Overall low)

Metroplex Battery	\$15,265.90	<b>Note:</b> Dry cell bid did not include Lantern Batteries the cost would have added approx. \$25.00 to their tabulation when compared to costs provided by other bidders
-------------------	-------------	--

### Senior Buyers Recommendation

Award to Metroplex is the most practical option in my opinion fragmenting the award by group could save about \$450.00 over three years, but having two vendors is somewhat harder to manage.
