Prospective Vendors,

The North Texas Tollway Authority has evaluated bids received on March 8, 2013 for RFB 03585-NTT-00-GS-CS Out of State Record Retrieval. After review, the North Texas Tollway Authority has deemed that not awarding is in the best interest of the Authority based on inconsistencies relative to pricing structure and a limited number of bids received.

As stated in Section III, Q., of the Request for Bid:

**Q. GENERAL**

*NTTA expressly reserves the right to reject any or all bids, in whole or in part; or to re-propose; and to make the award on merit and/or features of design, quality, delivery, and service as determined to be in the best interest of the Authority.*

At this time, the NTTA intends to internally review the requirements for the aforementioned RFB and re-propose. A date has not been established for release of the new solicitation.

Should you have any questions, please contact Ryan Williams, Sr. Buyer at [rwilliams2@ntta.org](mailto:rwilliams2@ntta.org).
