The Honorable Ray LaHood  
Secretary of Transportation  
U.S. Department of Transportation  
1200 New Jersey Ave, SE  
Washington, DC 20590

Dear Secretary LaHood:

I am writing to express my support for the TIGER II grant application for the Southwest Parkway/Chisholm Trail project. This 28-mile corridor runs through Tarrant and Johnson Counties, and is an essential component of improving mobility in the area, including Texas House District 97, the district I represent.

The Southwest Parkway/Chisholm Trail project has been on the region's mobility plan for nearly half a century. The success of this project is more important than ever before. This area is one of the most rapidly expanding areas in the country, and the Southwest Parkway/Chisholm Trail is crucial to economic development and mobility in the area. This project has also generated historic partnerships among cities and county governments, and local, state, and federal leadership, all aimed at making this project a reality.

I urge you to give strong consideration to the Southwest Parkway/Chisholm Trail's TIGER II application.

Sincerely,

A handwritten signature in cursive script that reads "Mark Shelton".
