The Honorable Ray LaHood  
Secretary of Transportation  
U.S. Department of Transportation  
1200 New Jersey Ave, SE  
Washington, DC 20590

Dear Mr. LaHood:

We are excited about the construction of the Southwest Parkway/Chisholm Trail Parkway project and look forward to its completion. This new connection to Fort Worth is vital to the growth of Cleburne and the southern Johnson County.

The new growth, housing construction, and business development will enhance the services of all citizens in Johnson County. It will allow the hospital to continue to expand and bring additional medical specialist and healthcare services this area.

Sincerely,

A handwritten signature in black ink that reads "Blake Kretz". The signature is written in a cursive style with a prominent, sweeping flourish at the end.
