

SEARCHING FOR NTTA CONTRACT AWARDS

NTTA Marketplace Search Feature

Once NTTA has selected and awarded a vendor, the Procurement Services department will use NTTA Marketplace to announce said award to all participating firms. At the time this announcement is made, the award will also become visible to the general public through this contract award advanced search.

Finding the Award Search on NTTA Marketplace

The Contract Award advanced search feature can be located from the NTTA Marketplace login page under the Browse by Category section.

The screenshot shows the NTTA Marketplace homepage. At the top right, there are 'Register' and 'Sign In' buttons. The main content area includes a welcome message, important information about electronic responses, and a list of links for current and future opportunities. A red dashed arrow points from the 'Contract & Bid Search' link in the 'Browse by Category' section to the 'Contract Awards' link in the main text. The 'Browse by Category' section is divided into three columns: 'Browse by Category' (red header), 'Public bulletins' (orange header), and 'Important Links' (purple header). The 'Browse by Category' column lists: 'Complete Registration', 'Open Bids', 'Contract & Bid Search', and 'Registered Vendor Search'. The 'Contract & Bid Search' link is circled in red.
