

TOLLTAG INSIDER

January 2024

With 2024 kicking off, it's the perfect time to learn how to maximize [your TollTag](#). It's your passport to hassle-free journeys – let's dive into the features that make your TollTag indispensable.

1. **[Compatibility](#)**: Embrace the spirit of adventure and explore areas across state lines! Your TollTag works throughout Texas, Oklahoma, Kansas and most of Florida, too. It also works for parking at and access to [Dallas Fort Worth International](#) and [Dallas Love Field Airports](#).
2. **[Tollmate App](#)**: NTTA's smartphone app, [Tollmate](#), let's you manage your TollTag account on the go. Plan your trips, monitor toll usage, receive real-time updates and more.
3. **[TollPerks](#)**: Since you have a TollTag, you can sign up for a free [TollPerks Rewards](#) account. You'll earn 100 points for every \$1 you spend with your TollTag. You can redeem your TollPerks points [for rewards](#) from sports suites to restaurant discounts to gift cards.

4. [Online Customer Service Center](#): Streamline your TollTag account management through our online portal! Update vehicle information, handle your funds, track toll usage and more. For additional support, [contact Customer Service](#) at 972-818-NTTA (6882) or 817-731-NTTA (6882).
5. [Roadside Safety Services \(RSS\)](#): We're here when you need us the most. NTTA – free of charge – provides RSS on ALL NTTA toll roads. Whether you encounter a flat tire, need a little extra gas or a jump start, simply dial #999 for fast, friendly and efficient support!

Your TollTag is more than just a way to cut your toll bill in half – it's your companion for a new year full of exciting journeys. Here's to safe, rewarding travel experiences across DFW in 2024!
