

DNT PAVEMENT IMPROVEMENTS

April 16, 2025

Northbound DNT from I-35E to I-635

NTTA is improving the northbound main lanes of the Dallas North Tollway (DNT) from I-35E to I-635 as part of its regularly scheduled maintenance to keep roadways safe. This work will include a new driving surface overlay, concrete repairs, drainage improvements and restriping.

Message boards will be placed nearby to alert drivers of any closures. Please use caution in the construction area, including observing speed limits and safety signage.

Thank you for your patience as we work to maintain our roads at the high quality that our customers expect.

Project Section	Current Stage
Lomo Alto Dr. to Meaders Ln.	Driving surface replaced
University Blvd. to Meaders Ln.	Guard rail replacement underway
Mockingbird Ln. to Royal Ln.	Drainage work
Meaders Ln. to I-635	Roadway repairs and driving surface replacement underway
