THE DIRT

ON DNT TO CELINA AND PROSPER

The project will require over

600,000

square yards of paving

That's almost as big as
Frontier Park in Prosper and
Old Celina Park Combined!

Columns range in size from

10-17'

each

Averaging at 13.5 feet tall,
which is as long as the average
wingspan of two American bald eagles!

The project will set over

100,000

linear feet of beams

That's about the distance from
Prosper Town Square to
Denton Town Square as the crow flies!
