

CONSTRUCTION ALERT

Dallas North Tollway Pavement Improvements

NTTA is improving the southbound mainlanes of the Dallas North Tollway (DNT) from I-635 to I-35E as part of its regularly scheduled maintenance to keep roadways safe. This work will include new driving surface overlay, concrete repairs, drainage improvements and restriping.

Where

The map highlights sections where work is occurring.

When Work Will Happen

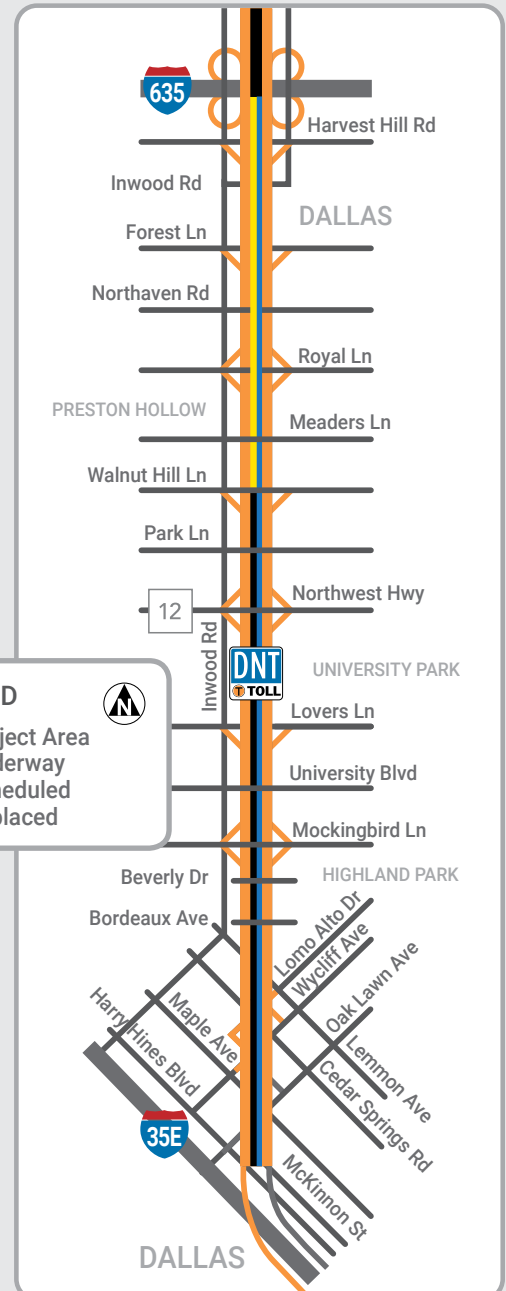

Prep work began earlier this spring. Paving work will begin mid-July and is anticipated to be complete in early 2027, weather permitting.

Message boards will be placed nearby to alert drivers of the closure.

All closures are subject to weather conditions and will be postponed, if necessary. Please use caution in the construction area.

Safety Note

Due to the nature of this work, please watch for loose gravel and observe the lowered speed limit in this area. Please use caution in the construction area. If you see something unusual or unsafe, dial #999 to reach NTTA's Safety Operations Center 24 hours a day.

Quick Facts

Repaving Begins:
July 15, 2026

Reduce Speed:
Observe posted speed limits.
