

2017 Legislative Goals

The NTTA Board of Directors, in anticipation of the 85th Legislative Session set to begin in January 2017, adopted these legislative goals during its November 16, 2016 board meeting:

- **Preserve all available finance and project delivery tools.**
NTTA supports maximizing available resources to ensure the timely delivery of projects to enhance mobility in North Texas.
- **Support initiatives that improve the safety of NTTA customers, employees and contract workers.**
The safety of our customers, employees and contract workers while traveling, working, and contributing to the efficient operation of NTTA's roadways is a top priority.
- **Support opportunities for enhanced toll enforcement.**
NTTA is dedicated to identifying initiatives that allow for greater equity in the collection of toll revenue for the benefit of the entire system.
- **Partner with stakeholders throughout region and state to address transportation needs.**
NTTA is committed to partnering with other Texas transportation agencies for the benefit of our North Texas customers.
